

16<sup>th</sup> November, 16:00 - 20:30

# BioFrontiers Summit 2017

**BioFrontiers**  
promotes  
international  
collaboration  
in the life-science  
sector

Meet R&D funders and experienced entrepreneurs.

Learn more about success stories and new opportunities for international projects in the bio-tech-med sector between Denmark and Poland.

Join a network of young professionals working in the Danish academic research and the biotech industry
